PAASCU ACCREDITED SINCE 1974

Application for Admission

Please read carefully before filling out.

The information requested in this form is an essential part of the admission credentials required for completing your application to Silliman University Elementary School Department. Please provide for every detail needed.

If you are seeking admission as a first grade pupil, please submit your certified true copy of Birth Certificate from the Local Civil Registrar or NSO. If you are transferring from another elementary school, please attach to this application your Form 138 (report card) and a certification of Good Moral Character from the principal of the school you last attended. A properly accomplished Recommendation Form by your teacher-adviser/principal should also accompany this form along with a 2x2 copy of your latest photo.

Note: A minimum 2-year residence is required for one to graduate from Silliman University Elementary School.

Please print in ink.
